WHY DO WE USE WORK WITH US?

6th June 2008

I have been taking agency staff from Suzanne Smith since 2005 when she worked as a senior manager for Labour Force and more recently from August 2006 when she and her husband created their own Agency Business called "Work With Us Limited".

We have been using Suzanne to provide both temp to permanent employees and casual labour for the last 2 years and we have always had excellent service from a professional relationship.

Their point of difference is that they understand our Business; can match labour requirements to our needs; and can vet and induct their employees before they arrive at our Sites.

If we want more or less labour than we anticipated their help is only a telephone call away and they react to our needs quickly.

Nothing is too much trouble from a friendly professional team at Work With Us Limited.

Yours faithfully,
